Who We Are

Professionals, educators, researchers and family enterprise members from more than 80 countries belong to FFI. Together they create the oldest and most prestigious multidisciplinary professional association for family enterprise in the world. Through our international journal, *Family Business Review (FBR)*, Global Education Network (GEN), preeminent international conference, and our digital journal *FFI Practitioner*, FFI upholds the highest standards in best practices and educates, connects and inspires thought leaders worldwide.

Our Mission

FFI's mission is to be the most influential global network of thought leaders in the field of family enterprise. We provide research-based learning and relevant tools for advisors and consultants, academics, and family enterprise members to drive success. FFI seeks to educate, connect and inspire through membership, educational programs and professional certificates, global events, journals, and publications.
