# Now Open! Call for Proposals for the 2018 Global Conference

## ABOUT THE CONFERENCE THEME: EMBANKMENT FESTIVAL

### Join the 2018 FFI Embankment Festival!

Camp out on the Thames for three days as you challenge and joust with your intellectual and personal best self at this festival of ideas and activities that will improve your understanding of yourself and the contemporary family enterprise field.

Festivals are many things around the world. They can be community events to recognize and celebrate unique traditions. They can be expressions of art and demonstrations of talent. They can be challenges to think outside of the box and experiment with something new.
