## So what will 2018 bring?

When FFI again convenes for the annual global conference on October 24-26 at the Park Plaza Riverbank, believe or not, more than 100 people are eligible to join this group.

Here are the requirements:

- Be a member of FFI for 10 years or more
- Complete a GEN certificate in Family Business or Family Wealth Advising
- Complete an advanced GEN certificate
- Write for FFI Practitioner or Family Business Review or present at an FFI conference

If you are a 10 year – member in FFI, please think about completing the requirements that you might not previously have finished. For more information, contact [Susan Gabert](#).

If you're not at the 10 year mark, this is a good time to enroll in a GEN course and start the journey to Fellow status. For more information go to [ffigen.org](http://ffigen.org) or contact [Gretchen Graham](#).

Matching the inaugural number of 82 is within reach. Let's make 2018 a banner year for new Fellows.

## Mission Statement

FFI's mission is to be the most influential global network of thought-leaders in the field of family enterprise. We provide research-based learning and relevant tools for advisors and consultants, academics and family enterprise members to drive success.
