

Early Release: March 2019 Issue of *FBR*

FEBRUARY 15, 2019

INTRODUCTION

e are pleased to provide you with an advance look at the March 2019 issue of Family Business Review (FBR).

EDITORIAL

"Truckin' on" at Family Business Review

G. Tyge Payne

This editorial provides an overview of the past year at *Family Business Review (FBR)*, including discussions of key metrics and trends, successes, and key initiatives. The future is also discussed by outlining plans for the journal few the next few years as we continue the mission of providing high-quality, scholarly research on the dynamics of family-controlled enterprise.

Founder-Controlled Firms and R&D Investments: New Evidence from Canada

Yves Bozec, Jackie Di Vito

VIEW ARTICLE

Research Questions

- · Do founder-controlled firms invest more in R&D activity than other firms?
- Is there a difference in R&D investment behavior between lone founders and founders with other family members involved in a firm?
- What is the moderating effect of excess voting rights, does it alter founders' willingness to invest in R&D?
