

PREPARED EXCLUSIVELY FOR FFI MEMBERS

What's Hot in Miami?

MAY 24, 2019

INTRODUCTION

What's hot in Miami? Hopefully the weather, definitely the venue, absolutely the keynotes! But there's more! We have 30 educational sessions for you to choose from.

Here is a sample, but go [here](#) for the complete list!

Advising Family Businesses in Complex and Turbulent Environments: Needs, challenges, and resilience development

Join a vibrant and revealing roundtable about family business resilience and consulting in turbulent places. Our panel of researchers, advisors, and family enterprise members will share and debate the latest research findings of family businesses in these regions, reveal insights on resilience theory, and discuss the main challenges for family business consultancy in these contexts through the use of a live case.

Presenters

Cristina Alvarado
Universidad Autónoma de
Barcelona

Pablo Aure Fariñez
Exaudi Family Business
Consulting

María José Parada
ESADE Business School

Futuristic Realities: Family business and medical breakthroughs

A provocative discussion of medical breakthroughs and the impact on the family legacy. This interactive workshop will provide the latest medical insights into genome mapping, genetic screening, and other disruptive breakthroughs.

Presenters

Thomas Koch
Medical University of South Carolina

Jean Meeks-Koch
The Family Business Consulting Group

Myth-Busting Values-Based Practice in Family Business

The idea that business and philanthropy are driven by separate values is a myth. Next Generation philanthropists are reimagining their family business to integrate their values into their core business. Learn by example how to use values-based approaches to amplify your social impact.

Presenter

Amy Holmes
Rockefeller Philanthropy Advisors

Solo by Choice? Breaking the patterns of intergenerational trauma and triggers around romantic intimacy

A diminished capacity for intimate romantic relationships has reached epidemic levels, worldwide, across all demographics and socio-economic levels, and is continuing to increase. This session will give voice to and discuss this under-reported phenomenon.

Presenter

Louise Levin

Louise Levin Associates/Screaming Non Sequitur Productions

Stress Testing the Family's Longevity Plan

What would happen if a family member was to live to 100, and how would that impact the family enterprise? We will look at four spheres—financial, healthcare, legal, and family—warranting careful consideration and discussion when it comes to planning for longevity and wealth, ensuring family success.

Presenter

Brett Scola

Pitcairn

Technological Disruption: Next-gen leadership, career pathways, and the role of the advisor

The session explores Asia's disruptive technology landscape and reveals its impact on next-generation career intentions. It shows how a boundaryless career can keep the business family at the top of the game and how a multi-disciplinary team of advisors can be part of the co-creation process with the client family.

Presenter

Jeremy Cheng

The Hong Kong University of Science and Technology

The World is Flat...and Risky

Families are navigating a VUCA world—volatile, uncertain, complex, and ambiguous. It isn't possible to make the family or business risk-proof. A third generation family business executive and a professional adviser share their personal insights and three keys to building resilience across generations through risk management planning.

Presenters

Linda Bourn
