In this issue, we highlight the Q1 GEN graduates who are receiving the Dual Certificate in Family Business Advising and Family Wealth Advising (CFBA/CFWA) or the Advanced Certificate (ACFBA, ACFWA). These individuals, coming from across the globe and across disciplines, have accessed and completed programs of curated content and research-based resources with their peers and a highly skilled faculty, developing a global network of fellow students who advise and study multi-generational families.

Please join us in congratulating their outstanding achievement.
