## EDITORIAL

### Accumulating Knowledge Over Time: Introduction to the fourth *FBR* Review Issue

*Keith H. Brigham, Cristina Cruz Serrano, Nadine Kammerlander, and Josip Kotlar*

This editorial looks back to the previous *FBR* Review Issues, considers the contributions that the current issue will make to family business research, and presents a library of all articles and editorials published in prior Review Issues. The Editorial authors consider the growing variety of subjects, theoretical concepts, and methodologies that these reviews have examined, and they suggest additional phenomena and methodologies that researchers might address in future research.
