Today we are pleased to announce the 2023 Global Conference, “Evolving the Conversation: The Future of Family Enterprise Advising and Research.” The 2023 conference will be held at the Marriott Marquis in Times Square, New York City, from October 25–27, and has been designed and created by the Conference Program Committee, chaired by Belinda Sneddon of PwC. The 2023 academic host is the IMD Business School in Lausanne, Switzerland.

This year’s event brings together speakers from around the world to share their latest thinking and research on the conference theme. Joining the conference will also be the FFI 2086 Society Scholar-in-Residence, Jason Jay, Sloan School of Management and Director of the Sustainability Initiative at MIT.

The keynote presentations and the accompanying sessions are organized as follows:
