About *FBR*

The 2023 Impact Factors were just released, and FBR had a great showing: a two-year impact factor of 9.9! FBR is now ranked 11/302 in the "Business" category.

Published as a refereed journal since 1988, *Family Business Review (FBR)* is the leading scholarly publication devoted exclusively to exploration of the dynamics of family-controlled enterprise, including firms ranging in size from the very large to the relatively small. *FBR*, which is owned by the Family Firm Institute (FFI), is focused not only the entrepreneurial founding generation, but also on family enterprises in the 2nd and 3rd generation and beyond, including some of the oldest companies in the world. In addition, the journal publishes interdisciplinary research on families of wealth, family foundations and offices.
