MARCH 29, 2024

**T**oday we are pleased to announce the 2024 Global Conference, “Mean Time: Time, Timing, and Timeless in the Field of Family Enterprise.” The 2024 conference will be held at the London School of Business (LBS) in Regent Square, London, on Thursday, October 24, and Friday, October 25. LBS is the 2024 academic host.

The program has been designed and created by the 2024 Conference Program Committee, chaired by FFI Fellow Miles Evans from Clairmont Trust.

Pre-conference sessions and the opening reception will be held off-site on Wednesday, October 23. The pre-cons and opening reception are open to all main conference registrants at no charge, but pre-registration is required. The Speakers & Sponsors Reception, by invitation only, will be held off site on Thursday evening, October 24.

Please join this global community of thought leaders to learn, reflect, and engage as together we explore the concepts of time, timing, and timelessness as they impact the future of the family enterprise field.
