PWC GLOBAL FAMILY BUSINESS SERVICES

PwC helps family businesses manage ownership and growth at every stage, by providing support with family governance, succession planning and business continuity, next generation education and transition, private wealth management and family office, philanthropy, values and purpose, and more. Serving businesses at various points in their journey to success, PwC provides insights and solutions to stay fit for growth and move forward at the right pace. **PwC's Global NextGen Survey 2024**, Success and Succession in an AI World, surveyed over 900 NextGen members and reports on their views on the potential of generative AI to transform family enterprises and on what their enterprises would need to do to prepare for the profound changes to come. With the **Global Family Business Survey**, released every two years for the past 20 years, PwC stays up to date on the interests and concerns of family businesses globally, addressing and anticipating key trends and issues.

More than 100 PwC family business experts worldwide are FFI organizational members, including FFI Fellows Francesca Ambrosini and Peter Englisch.
