FFI Practitioner: Bilingual articles from the FFI Iberoamérica Virtual Study Group

WEEKLY EDITION • MAY 26, 2021

From *FFI Practitioner*

FFI Practitioner's mission is to provide thought-provoking analysis, trends, and research for family enterprise professionals on diverse topics from authors around the world. Over the last several years, members of the FFI Iberoamérica Virtual Study Group have submitted a number of bilingual articles on a variety of topics in the field of family enterprise. This week, we are pleased to share a curated selection of these articles written in English and Spanish.

Family Values & Legacy

FFI | Iberoamerica Study Group

The Iberoamérica Virtual Study Group is an online forum to educate, connect and inspire members located in or interested in family enterprise issues in Latin America and Spain.

The official language of the group is Spanish.

The Group extends FFI's core mission by focusing on education and multidisciplinary learning. The Group seeks a multidisciplinary composition to broaden and enrich the learning experience of its members. A geographic mix is also a priority.
